## **NDSBA staff temporarily working remotely; continuing to serve members**

Like you and your schools, the North Dakota School Boards Association is closely monitoring the COVID-19 pandemic. In addition to ensuring our members have the most recent information and guiding them through this unprecedented time, we are taking proactive steps to address a number of business concerns. First and foremost, we want to maintain a safe workplace and encourage and/or adopt practices protecting the health of employees, members, visitors, or others. We also want to ensure the continuity of business operations during the pandemic.

In accordance with the recommendation by Governor Doug Burgum and the North Dakota Department of Health, NDSBA will initiate mandatory remote operations effective immediately. During this time, business will continue with the NDSBA staff working away from our physical office. **We want to assure you that all services will continue without interruption.**

NDSBA continues to consult with the Governor's Office, ND DOH, and ND DPI. We have collected resources from a myriad of sources and made them available at [www.ndsba.org](http://www.ndsba.org).

NDSBA will continue to evaluate if future meetings and events need to be adjusted. Watch for future notices on the webpage and through emails and postings on Twitter.

Please contact us at (701)255-4127 or (800)932-8791 with any questions you may have. Thank you for your support and continued service to North Dakota's public school students.

Thank you,

Alexis Baxley  
Executive Director

Holly Stromsodt  
NDSBA President
